## [www.amused.com](http://www.amused.com)

This is a site that one can get immersed in for hours on end. With nearly everything you need to amuse yourself like columns, jokes, puzzles, and tons of free stuff. What do you do when you get bored with this site? Take one of the links to the numerous other sites that do stuff. With so much to explore, it's hard to know where to begin, but wherever you start, you are sure to be amused.

## [www.badfads.com](http://www.badfads.com)

The pet rock, smile buttons, and mood rings all reign supreme at badfads.com. A retirement community for 80 bad fads, this site pays homage to all of those things that came and went before we knew it. Sit back and have a good laugh as you are reminded of all the foolish fads you wish you wouldn't have been part of.

## [www.thisistrue.com](http://www.thisistrue.com)

There is a saying that all fiction derives from truth, and this page lives up to that saying much closer than you may think. With unbelievable stories about weird but true incidents, one can't help but read in disbelief!
